

Town of Prairie du Sac

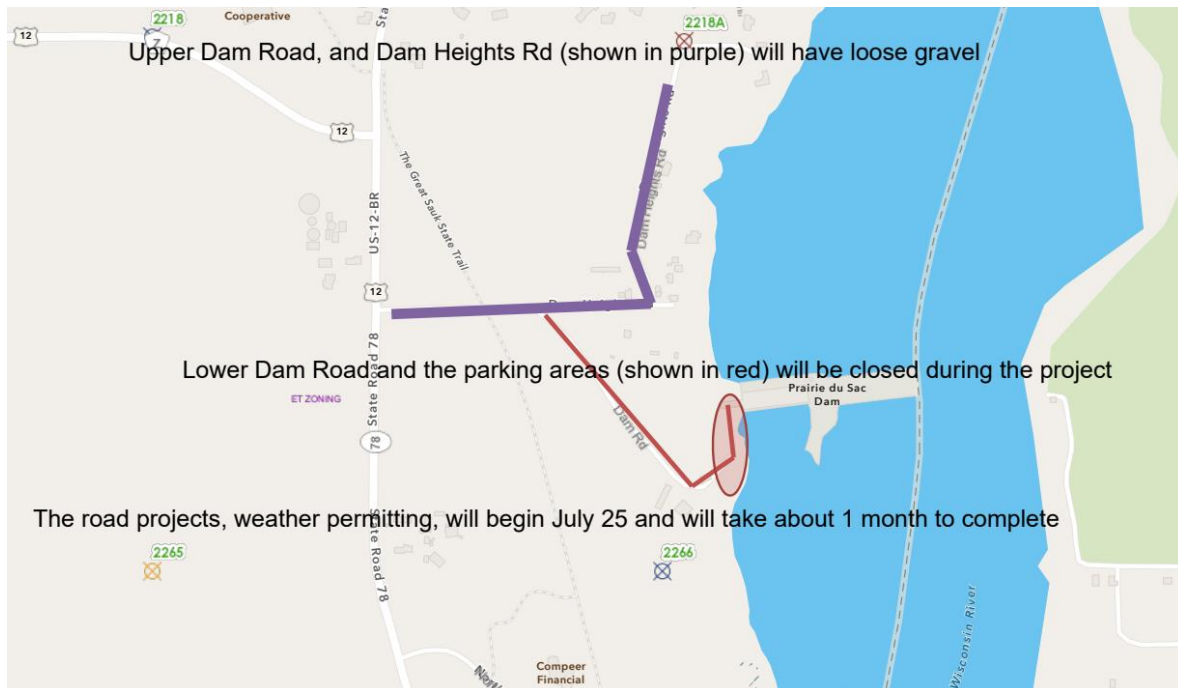

July 2022

Dear Community Member:

The Town of Prairie du Sac's upcoming road projects include Dam Heights Road and Dam Road. Alliant Energy will also be replacing their parking lot areas near the Dam at the end of Dam Road. The Town and Alliant Energy are teaming up to complete these projects. Scott Construction has been awarded the bids for the road projects, and the parking lot projects.

Weather permitting, the work is scheduled to begin the week of July 25, 2022. It is anticipated that the work will take approximated one month to complete.

During this time, the lower portion of Dam Road and the parking lots near the Dam (shown in **red**) will be **closed** to all public traffic.

Dam Heights Road and the upper portion of Dam Road (shown in **purple**) will be open to **local traffic only**.

If you have any questions, please contact the Town Patrolman, Dick Nolden, at (608) 370 – 2132

Thank you for your patience during this process.
